Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Incomplete Non-Provisional Application mailed August 20, 2007, it is hereby requested that the Notice of Incomplete Non-Provisional Application be withdrawn. Applicants have attached the application as filed on February 9, 2004 and the date-stamped postcard as evidence that the above-identified application was submitted on February 9, 2004.

Applicants further point out that this application is entitled to the original filing date of February 9, 2004 and the priority date of February 7, 2003, since the application was appropriately submitted on February 9, 2004. Thus, the specification was not missing when filed February 9, 2004. It is believed that the filing was lost at the PTO, as is further evidence by the fact it does not appear in the PAIR system.

Payment by credit card in the amount of \$ 400.00 is attached. Since the application is entitled to the filing date, a request for a refund of petition fee is included with this petition. However, the Commissioner is hereby authorized to charge fees under 37 CFR § 1.16 and § 1.17 which may be required to facilitate this filing, or credit any overpayment to Deposit Account #13-3402, two copies of this paper are attached for this purpose.

Respectfully submitted,

/John A. Sopp/
